Dear provider,

We have reviewed the preauthorization request for the procedure listed below.

The request is not approved. The documentation provided does not demonstrate at least 1.5 mm of sound tooth structure (ferrule) remaining for a crown on tooth 26. Please provide a narrative and radiograph showing the remaining tooth structure if you wish to submit a new request.

Procedure	Tooth	Submitted	Decision
27211 Crown, porcelain fused to metal	26	\$581.00	Not approved

This decision is not a guarantee of payment. You may request a reconsideration within 60 days of this letter with new clinical information.
